“ When I received the call that Joe had passed again I felt like someone had took a part of my heart "again". I have been through this to many times to count but each time is just as devastating as the first. Joe was such an awesome young man to work with. I remember how he would have me laughing until I had tears coming from my eyes. I recall our last encounter, it was at a local Planet Fitness and he ran across the room just to give me a hug. I will never forget that moment. My heart goes out to his family and loved ones. I do not know that there are any words that can take away the pain of losing a loved one. Joe will always hold a place in my heart. I am truly grateful that I had the opportunity to met him.

“ Joe...we called you O.J. because there were two Joes in the house when you were with us so you were the "other Joe". I remember always having peanut butter and grape jelly on hand. You would eat two sandwiches in no time. You and Samantha would bring home whole cheesecakes and munch on it all night. You had such a calm demeanor Joe...such a good soul, gentle and pure. You will always hold a place in my heart and the hearts of my family. I will see you again. Peace young man.
