“ *My sincere sympathy to the family of Judy. Didn't work in the same department with her but she was a co-worker at JJC. Always seemed friendly and smiling.*

*Judy was a kind, loving person who I came to know when she first started working at the Main Campus of JJC. She and I always wanted to get together on a week-end and go to Starved Rock and we never got around to it. I wish we would have made time to do that. She will be missed. So sorry for your loss.*
