“ So sad to hear of Katherine passing. Such a blessing to have had your mother for such a long time. A very long time I have known her. A sweet gentle person. Was a shining light to many. I first met her when the family moved to Custer Park from Kentucky. At this time she was expecting twins. The family lived in the hotel that was in Custer Park. Her husband, J W Mitchell needed a job , so my father, Lawrence Underwood, hired him to come help us on our farm. As I remember it was about 1960. their daughter Diane and I fast became friends and shared many happy hours together. Remember the wonderful trip to the State Fair in Springfield? there was an awful rain storm and we were sleeping in a tent. We still had an awesome time! Memories last forever. Bless all of you. “ I have so many fun and fond memories of us growing up in Custer Park, sharing our back yard together. Your mom was a sweet and kind woman, quiet and a talented seamstress. You might have thought you lacked in material things, but the love and generosity in your family was always present. If Mrs. Mitchell baked cookies or brownies, one was always offered to whoever was playing at their house, including me! Remember all the clothes on the clothes lines? I can still see her hanging/taking down the clothes. She was a beautiful woman who loved her family. Those are the memories that will get you through this. Janice, when this chaos is over, we will share a bottle of wine and toast to your great mom. My prayers go out to all the Mitchell family and I understand your loss.
