“ I only knew Kathi through Facebook and I felt a kinship to her because of her love for animals. I enjoyed her posts of faith and inspiration also. It is so unfair that she had to battle cancer. She didn't deserve that. I know she is happy in Heaven, being reunited with her loved ones , especially her beloved Puggi and Snowflake. You are loved "Aunti Kathi", and you are missed and will never be forgotten.

“ Sending healing thoughts and prayers. We were Facebook friends who shared the love of animals. Ms. Kathi was always kind ,had a positive word and such a warrior for animals. Ms. Kathi was a fighter herself. We are all at a loss. God has called a good human home. My deepest condolences.

“ I only knew Kathi through Facebook, where she was known as Auntie Kathi. She would leave comments on my “cat’s page”, and that was where we met, and became Facebook friends. My cat, Seven, and I hadn’t heard from her in such a long time, that I had a feeling something had happened. I send my deepest condolences to her family and all who loved her. She will be missed.

“ I met Kathi in church and she was always a delight, and the law of kindness was in her mouth. She never wanted to trouble anyone and put others first. Kathi is now with the Good Lord. Praying for the God of all Comfort, to comfort Kathi's family and all who loved her.

Now, with her passing, I truly regret letting certain biases of mine that preventing me from providing what comfort I may have to her in her final days, or through her term of suffering. “ A very long time ago my mother, Alicia Viteri was best friends with Kathy’s mother Dolly and her mother Florence. They were such good cooks and we had wonderful meals together. I remember Lynn, Gary and Kathy at the table in Braidwood. My brother Alex was there. He died Jan.20, 2022 just a few days ago. Now so many family and friends are gone it makes me sad. If there’s an afterlife I hope someone is making tapioca! Dolly’s specialty! 🙏
