“ Ken, was a gentle giant, he always had a smile on his face. I will always remember the many talks we had about everything going on in our lives, family and the world. He was a true friend. I will miss him dearly. Rest in peace Kenny.

I really enjoyed talks with Ken at the school. He was full of stories, and was very passionate about his bird feeders. I'm going to miss seeing and visiting with him at school.

I think I talked to Ken more at work than the people in my department! I always enjoyed swapping stories and his easy going nature. I will certainly miss him and our conversations.
