“ I have know Laverne for over 20 years and have shared a lot of experiences with her. We went on trips together as far as Canada, made jewelry with two other friends and shared many meals together. Laverne sure loved to crochet and Eat! She was so skilled with her crocheting and I have many examples of her work in my home as doilies, cell phone cases, hats, and scarves. She will be missed, We are so sorry for your loss, but glad Laverne is now at peace.

“ She was a very special lady with a great love for her husband and her family. She will be deeply missed by myself and my children. I loved chatting with her when I worked there and my children and I would go in on the weekends after I left the facility to visit with her. She had a beautiful heart and soul and could put a smile on anyone's face no matter what. She was greatly loved and will be forever missed.
