“ Rotten and Abbey, I'm so very sorry for your loss. I am truly blessed to have had the time and memories with Leslie she will be greatly missed. She was always there when you needed her for a hug or advice. We used to talk about our people at trinity and how one day they will be able to explain things to us that they,could not in this lifetime. I have peace knowing shes with them and they are taking care of her.

“ You knew me better than anyone. Even miles away from home we stayed connected. We both married and had kids. You were so happy when Abbie came, then Beth. I was there when you told me you were pregnant with Chad. Sometimes life got in the way. John, my heart goes out to you and the kids. Mom, I love you as I loved my own Mom. Leslie will be watching over you all.

“ You knew me better than anyone. Even miles away, a phone call kept us connected. We both got married, had kids, shared laughter and tears. Life got in the way sometimes. But, our friendship was strong. John, my heart goes out to you and the kids and Mom too. Know that I love you all. She will be watching over you.
