“ I was lucky to work with Linda at ULTA and she also taught me how to quilt. She let me practice on her sewing machine before I had my own and was always there to answer any questions I had. We used to visit quilt/fabric stores together, I like to think she was an influence on the large fabric collection I have. Linda, you were a talented seamstress/quilter and I'm proud to own a piece of your art. RIP sweet lady.
