“ Aunt Lois, we will miss you and your wonderful laughter and how you and my mom, Betty always had the best of times together. I really appreciate you being there to visit Mom just before she left for heaven. Now you two, and Aunt Emma, can be reunited and have a rip roarin' time! Just like old times. And to my cousins and their families, your mom was just an incredible person, I so enjoyed all the memories we made together. She's in a better place. All my love, David & Lisa Downs

“ Aunt Lois, you will be missed! I know you are now in heaven having fun with your sisters, Betty and Emma. No disagreeing or arguing will be allowed in heaven, so you three might need some time to find something to talk about! I can hear your laughter as you read this! Mom and Aunt Emma will be joining in! Memories of our family's laughter, Grandma Marie included will be a special memory to me. So thankful that you were close to your sisters' families, that your children are a great part of our lives. Not all families can say this, thank you for making this happen.  
We love you!
