“ I remember everything about my grandmother, and I miss her very much. I appreciate everything she had done for me. The thing I have been remembering the most, is the week or so she was in the hospital.. I can't help but forget everything that happened, and the way she looked.. She was so sad and in pain.. I miss this lady so much and I really do love her. I cannot forget all of the times we went too Tennessee, and the times that we spent eating food from her mini fridge. I miss you grandma, and I love you very much. I HAVEN'T FORGOTTEN ABOUT YOU !!

“ I remember going to Santa's Village and Six Flags Great America with her and having fun. We would ride as many rides as we could before we had to leave. There was one day we went to Six Flags and i wore a t-shirt and shorts because it was suppose to be warm but it turned cold. She took me to a shop and helped me on getting warm. While we was there, one of the ladies gave me a rain poncho to wear so i could keep warm because i could not afford to get a sweatshirt.
