Lora was amazing. She was kind, giving, absolutely beautiful inside and out, loved with her whole heart, had a contagious laugh and smile, and knew how to party. She was passionate about her career and had the highest standard of care for her patients.

Surviving are her parents, Eugene Dimmick of Braidwood and Sherri McPherson of Port Charlotte, FL; sister, Rechelle (Phil Wilson) Dimmick; cherished nephews, Brenden Tribe and Andrew Tribe. “ Prayers and love sent to Lora's family and dear friends. I was one of her professor's in Dental Hygiene School at SIU. She had an infectious smile and never met a stranger. God bless her hygiene buds who have sad hearts and provide comfort to all. My memories of Lora are so great and she will truly be missed by all who knew her.

“ I lived down South Street in Elwood, when I was 4. My first memories are of Rechelle, Lora, and Sherri. Their dog, Jesse, was quick to make friends. Over the years my sister, Melissa (Lora's age) and I, would hangout with the Dimmick girls. Aka I would tag-a-long and annoy them. However, Lora and Rechelle were never mean to me or excluded me. I remember lots of make-overs, scary movies, and the Dimmicks walking us home at night. Lora and Rechelle would baby-sit me, but I felt so cool to be with them. It has been a loooong time since we have seen each other. I will always look fondly at the memories we shared. So see you later Lora, never goodbye.

“ Lora you were so very loved and your smile and spunky personality will never be forgotten. We met in 6th grade and shared a lot of laughs and crazy memories together with the group of girls. I pray you are at peace and comfort 💔
