“ Lori used to ride my school bus here in Thornfield, she and my son, Darrell were good friends. I was so saddened to hear about this, had I known in time I'd have sent flowers. I recall one day on the bus we had a flat tire and by the time we had it fixed and were back on the road it was late...Lori's Dad met us and had barbeque sandwiches for everyone. After Lori got off and we were heading back to deliver them, the boys kept asking "What kind of meat was the barbeque, as it chicken, pork or beef...the next morning they ask Lori and she told them it was turtle! They couldn't believe it but it was true, and it was very good! Love you Lori...I have a lot of pictures of Lori and the other kids on my bus. Tenoha Eagar
