“ I have wonderful memories of Harold and Margo. They started coming to meetings in January 1963. Harold first with Richard Hagen and then both . William Peterson and I, Kenneth Gooding, were having meetings in Kankakee. I do not remember just when they professed but it was wonderful. The last time I saw them was in 2004 just before Seneca convention (and during). I spent a night there and was there the next day for union meeting in their home. Was glad to read that Jeff and Peggy are having the service. I know both---Peggy better because she was just a young girl at home when I was in that field. Kind greetings to both. You can be sure that my mind will be there at 1:00 to day. Kenneth

“ I have many fond memories meeting with Margo and Harold Tennant. Like others Margo would put on a potluck and make spaghetti with green peppers..... always enough for three meetings. When asked what was in it or for the recipe it was always " you know a little of this and a little of that " and she would smile. I'll miss that smile.....
