“ I am Marios cousin Ron Cavazos. Mario was a family man. If we needed Mario for advice on someone he may know for a project, to help with a project or pretty much anything, he was there! We can ALWAYS count on him! He was very funny. He would always make anything better just by being there-the things he would say, do or stories he would share. This man will be GREATLY missed by anyone who knew him. God bless you cuz.....
