“ *Gramma was one of the most beautiful people I have ever met. For such a tiny lady, she was big in spirit and in heart. I loved her very much and treasure the memories I have of her. Thanks Jess & Amy - for letting me share your Gram. She was truly something! I will remember her laugh (usually at Jess & I) and her quiet understanding (buying the 2% store bought milk) - the sound of her voice when she couldn't believe what we had gotten ourselves into now.. ("Oh Jessica!") and the smile in her eyes when we walked in the door. She was a blessing to all those who knew her.. and I'm glad I had the privilege.*
