“*Mary Lou was one of a kind! I played tennis with her for several years. She was a pistol and spitfire in the best ways! She was also kind to me when my mom died- even now 4 years later. I will miss Mary Lou deeply! God bless your family. Karen Legreid*

“*Mary Lou was the star of GSW 1959 Class! Now she is shining down on all of us. I was blessed to grow up on Jackson Street with Mary Lou. I will forever treasure those memories. She never missed a reunion or a chance to get together and share memories. She had invited us all to their cabin at SW Beach for a day this summer. Our times together will never be the same without her jovial laugh and funny stories. It is with a sad heart that I bid Mary Lou farewell. ❤️*

Jimmy, Art and I offer our sincere sympathy to you, Michelle, Monty and their families.

“ My deepest condolences to Jimmy, Mary Lou’s children, grandchildren, and family. Mary Lou was a dear (tennis) friend, as well as a loving and kind person. She often talked about her loving family and how very proud she was of them. I will always remember the sound of her laughter and that beautiful white hair. She will be missed, but her memory will always be in my heart.

“ My mother was one of Mary Lou’s tennis buddies and they played together every week for the past twenty years. Mary Lou was so energetic and always smiling and laughing on the court. And so tolerant of all the crazy, competitive trash talking silliness. She lit up the whole world and there are no words to express how much we loved her and will miss her. God has a new angel and doubles partner! ❤️🙏🏻🎾
