“ If I were to share my memories of Matt, it would be a very long list. He has been in and out of our home for years as our son Corey’s friend since about 3rd grade. Matt and Corey were partners in comedy and share so many years of mischief but also hard work. What he always brought with him was a smile, laughter, silly stories, and an appetite! He would greet me, often my mother with a hug and a howdy 🤗 We loved Matt as one of the boys and he fit right into our crazy home. He always helped where he could and when I’d try to pay him, his comment, “I work for food though... I love a good steak 🍖 🍷” We cannot even express in words how much he will be missed, but I’m sure he’s got the angels laughing! Tina, Reno, Andrew and Melanie and all who love him are in our prayers for comfort in this time of loss. 🙏❤️

“ We didn't know Matt well but we always enjoyed his company and are very fond of him. We met Matt when our “now” son in law, Corey, brought him along for his first visit to our home to visit our daughter Sara. It was interesting but since then Matt has been our favorite of their friends. Since then, two guys would always argue about who was supposed to know the way to Kankakee (Matt) and didn't follow directions (Corey). We're so sorry for your loss; we'll keep yourselves and Matthew in our prayers.

“ I had the pleasure of being Matts neighbor many years ago. He tilled up a spot in his yard so I could have a garden. In return, Matthew was a regular at my dinner table. Matt was a truly kind and selfless man, and he will be greatly missed.
