“ We send our deepest sympathy to Candis & her family & the same to Mike's family. Mike was my boss/co-worker/car pool buddy & Best Friend. We grew up together at Collins. We watched his kids grow up to be providers for their families. He was very proud of his kids. A picture he had at work was them sitting on a camper, now it hangs on his hallway wall. He expressed his concerns with calls made at Reed-Custer basketball games. He was given a nick name of "DOG" at work. He would go digging when the plant had problems. He found & solved problems like & old hound dog. He treated everyone equal. Many managers came & went but Mike & I stayed together. I cannot find the words that truly can honor Mike the way he deserves to be honored. He will be sadly missed. He had many friends that worked at Collins Station.

Mike's kids are part of our extended family. I hope they know if they need something to call. Jerry & Joan Brown
