“ I miss you Junior, you have always been more than my brother, you're my best friend. I love you and you will live in my heart forever. Things are so different now, its really hard to annoy mom without you...I tried...our "Oh mumsy" routine just isn't the same without you, lol, she still said "will you just stop that!" but it wasn't as fun as when we would both get her. I won't tell you goodbye because I know we will be together again someday, until then I will see you everytime I visit your babies, I'll hear your voice whenever one of our favorite songs plays, I'll talk to you everyday and I hope we will visit in my dreams...R.I.P. Bro
