“ *Michele was like a sister to me and Chris since we were all little girls playing with barbie dolls. She was warm, kind, thoughtful, and fun! She loved her family, took wonderful care of her parents, and was an amazing friend. This is still a horrible shock, but the many memories of the time we all spent together brings some comfort. I was going to post pictures, but they would be repeats of the ones my sister, Chris Fortener, already shared.*

“ Michele you will be so missed by everyone who knew you! You have always had a truly gentle soul and I'm not sure there was a mean bone in your body. You were quiet, yet your presence always made people feel at ease. I hope you rest easy ❤️!!
