“ Every Monday Me & Kathryn would have dinner with her & watch Dancing with the stars or the Bachelor/Bachelorette! She always looked forward to that to have her girls around! One thing she would always say was what's for dinner & the most IMPORTANT thing was she'd say " You know we don't have any dessert"! I will never forget the Mondays!! I love you!!

“ *She use to give me strikes when I made her mad. I never got to strike 3. I always would redeem myself and she would take a stike away.lol Great memories with that lady. It was an honor to drive her crazy sometimes. You will be missed Nancy. Ill truely take care of your baby girl Jennifer for the rest of this life. Until we see you again.*

“ *Nancy and I had a special bond My first and her last born had terrible colic. Everyone would jokingly say; Nancy, Linda your baby's crying, She helped me laugh about all that crying instead of crying along with my son. She could get me every time with that quirky sense of humor! I will miss her even though I live far away.*
