“ Many blessings to Noreen’s family. she was a beautiful woman with a great heart and soul! We loved talking about Bloomingdale and the food pantry. I wish I’d gone to prayer at the food pantry last time I was asked to when I was in town but I needed my hair colored. Makes me realize outward appearances aren’t important. It’s a special moment for pantry workers but I’m glad I’ve been there many times to say hello. She was a lovely person who has done many good things; a blessing to Braidwood and I’m sure to all who met her. May God Bless and comfort her family with many good memories!

“ 8 years ago when I was in high school, Noreen let me volunteer at the food pantry every Tuesday during the summer and on breaks. It really made me feel I was making a difference. She was always so kind and thoughtful to me and always had faith in me that I would do something special to help change lives. She taught me that every act of kindness matters and that even if I don't remember an act of kindness that I give to someone, they will never forget. She was an incredible woman and she'll be missed by many.
