A good friend of mine just notified me of her passing.. and to tell u the truth Im quite shocked and saddened. I worked with Patty on MANY OCCASIONS!! The most memorable is At BRAIDWOOD NUCLEAR POWER PLANT and I was the SR RP in charge of organizing people and surveying the tools for the massive tool crib c- van that they had. i went thru 2 sets of Laborers before I found Patty!! John Moser the RPM gave me the power to choose my own people! As soon as I met Patty she had an AMAZING SENSE of HUMOUR and WORK ETHIC!! We got along like 2 peas in a pod!! Im so greatly saddened by this news. My condolences goes out to the family!!! In lieu of flowers is there some where I can send a monetarial gift to? She was such a HARD WORKER!!! Im so very saddened.... :(Words cant express how sad I am... What a huge loss!! She LOVED HER FAMILY SO MUCH and TALKED about them all the time!! My Dear friend I shall miss you enormously!!! <3 You! “ *From her friends and colleagues at Stone & Webster Construction, Inc.:*

The thoughts and prayers of all Patty's coworkers are with the family at this most difficult time. She was a credit to the Laborers' Union; a trusted and loyal friend to her coworkers; and, most of all, Patty was blessed with a great sense of humor. She will be deeply missed but fondly remembered by all who had the pleasure of her acquaintance.
