“ There are no words to express our sorrow at losing such a wonderful longtime friend. Pat will always be remembered with fondness for her unending ability to "organize" any event or vacation that came up. She was always the first to offer help and support no matter the time or date. Pat, rest comfortably now, until we meet again. Much love always. "Thomas" and Maryanne

“ I've only met Pat a couple of times. I've met her husband, Roland many times, and her daughter and son a few times. They took explicit care of Pat these last months, as she tried to heal.

They are wonderful people. My sympathy for each of them.

So very saddened to hear of the passing of Pat. I enjoyed the company of she and Ro during involvement with the Glass Impressions Corvette Club. She was a real delight, and was so knowledgeable when it came to any talk of corvettes. The time spent with the two of them will always be cherished. To Roland and the remaining family members...you have my deepest condolences.

I am so saddened to hear of her death. She always had a way of making me feel better and making me laugh. Even though I hadn't seen her in awhile, I loved her dearly, and will miss her. She was a kind and caring woman. Hugs and love to Roland, Cheryl, and Matt...
