“ It is with great sadness that we hear of Pat's death. Pat has been a part of our group of deer hunters near the cultural center of the world...Elroy, WI, for many years. We have celebrated all of the great deer stories of recent past around the fire at Kamp Chaos and nobody can be in the area without visiting the Dog House the night before the “big hunt”, where everyone knows your name.

We have now lost two of the original members, first Dale Preuss, and now Pat. We will remember Pat by raising a toast to him at this year's camp in his memory. We extend our sympathy to all of you and share your sorrow for your loss...

*God saw they were their happiest and
someone would not let that be.
So He put his arms around them and whispered
"Come with Me".*

*With tear filled eyes we watched them,
suffer and fade away. Although we
loved them deeply, We could not
make them stay.*

*A golden heart stopped beating,
hard working hands put to rest.
God broke our hearts to prove to us,
He only takes the best.*

*Pat your were truly the best! I will so miss our lovely talks and how
you made me laugh, and always made me part of the family.
