“ *Phyllis will always be in my heart. She was the friend that you haven't spoken to in months and when you were on the phone it was like no time had ever been missed. Talking with her was like we talked every day. And she was the person you could tell anything. I will miss her always. If you were loved by her you were blessed. Thank you Phyllis.love you forever.*

“ I remember as if it was yesterday... chris, nate, amanda, and me would always be over. Climbing on the play set, swimming in the pool, or down by the lake looking for stuff and turtles. All the picture taken at your house. How well all grew up there. I miss coming over and doing all those things. Miss you aunt Phyllis. Love Celina
