“ Sorry I'm so late but I just found out about Wayne today.(9/4/20)
So sorry to hear about Wayne, we were friends when building the power plant in Braidwood. I was a welder back then and we were in the same crew. The best time of the day were our breaks and lunch. We would play Euchre, there was Wayne, Jim Jenson, LC, Larry Nichols, and me. I live in Homer Glen, but when I got down that way I'd try to stop by and say hi. I know everyone liked a lot and he will be missed by all. God Bless you Wayne.

“ We will never forget the great times we had with Wayne. He was our best friend for many years. When we moved to the river he was the first one to come down and introduce himself . It started a long, and special friendship, and even after we moved we visited him every time we came up north. We had a lot of fun when him and Janet came down and camped at Lake Rend, and then came and camped at our house for a couple of days. For many years Wayne showed up at our house for our Christmas toast on Christmas morning. He couldn't stay long because he had plans to spend Christmas with his kids, but he always made times for his friends, and family. He will be missed sooo much. Ray & Arlene Gibson
