“ Raymond, You and I shared 8 years of our lives together, raised 2 great kids together, had our ups and downs, but we both realized that getting married messed things up, but we became better friends then what we were before we got together and for that i'll always be thankful. When he was in his right mind, he was a good husband, good father, and all around good man. The fact that he's really gone and I'll never hear his voice again is just now hitting me.. Raymond, I'll always love you and I'm sorry I never told you all I wanted to say #ugotitbad
