“ I am so saddened by this sudden loss. Becky was a co-worker and I thoroughly enjoyed working and talking with her. We had many conversations about her wonderful family and what she was doing with her life. My condolences go out to the entire family and please know you are in my thoughts and in my prayers.

“ I have worked with Becky at Cigna since 2008. Her and I could always catch up and make each other laugh no matter what we were going through. She was so devoted to her kids. I still can't believe this is real. All my thoughts and prayers go to her loved ones during this difficult time. She was one of the best people I have ever met.
