“ *Bobby was the best older cousin a kid could have. He would always include me in the pick-up baseball games with the "big kids" if I showed up. Then he would tease me if I made an error telling me not to tell anyone we were related. I will miss him forever. Ben Kessler*

“ Bobby you as always friendly to me and liked to tease people. I have a couple of memories of him from some of his RCHS days. He dated Sandy at that time. They were a great couple and had great years together.
He is joined with Sandy again!
He volunteered at the Braidwood Historical Society when we first formed. He continued to help when he could.
Thank you, Bobby!!
