*Robyn it has been over two months since you were taken from us and I miss you soooo much. I know you know that because I have been sitting with you at your grave so many days since GOD called you home. Over 40 years of being my friend is something alot of people don't get but I was so truly blessed to have you in my life. We never had to see each other every day to know that we were BEST friends it was something we both knew in our hearts. I will be there for Teri just like I was for you please know that. I have tried so hard to understand why GOD took you so eary and I just don't get it and I never will but one thing I do know is how very important you were to me and I Love You my Friend.....*
