“ Rose, my dear friend, is gone and part of me is gone. Since we were just kids, and through the births of her kids we have been friends. Even miles apart, we remained friends. I can only say one thing:

*I wish for just one moment in time you could be me, so you could know how much I love you.*

*I will miss you every day, but you will always be a part of my best memories. Thank you for being a part of my life for such a very long time.*
