“ I met Roy many years ago, while his family was living in Galesburg, IL. He had a heart of gold, and worked hard to provide for his family. Though we haven't talked in years, I've thought about him over the years. I pray for the loved ones he left behind... especially Kathy and Eric. May you Rest In Paradise, Roy Eugene Peek.

“ *My best memory of Roy, unfortunately came at a bad time, that time being during the days immediately after the loss of his brother Mark. I was at Sherry's and he came to see me, we sat down on the steps with his girlfriend at the time (Bonnie) I was on a step above him, with my arms around his neck, and he leaned back and told Bonnie, "Everybody loves Cookie" Cookie being me. I am going to miss you even more now that you are forever gone, but I will always carry that memory in my heart as well as the love I have for you. RIP I also have to say here that I have never seen a man work so hard to take care of his kids by himself. They meant everything to him and he to them.*
