“ Mickey, Vonney & Tom - I am so sorry for your loss. I have fond memories of your mother Doris who was like a Grandmother to me and of your sister Sandy. Your mom was a close friend of my Grandmother Arleene Jacque from Coal City. You mom used to babysit me and my brothers. I remember your mom baking birthday cakes, bread, canning and being up at dawn and giving me lots of hugs and checking on me over the years the way a Grandmother does. I remember riding with your sister Sandy on her motorcycle. She was a free spirit when young and fiercely protective of Mickey and Michael. Sandy was always the first to lend a hand to help people - fixing their cars and doing handiwork at their homes back then. Sandy shared some of her life experiences and pain with me when I was kid. She also made me laugh. I knew what she went through. Similar things happened to me. I loved and looked up to your sister. She loved all of you so much. This message is late, but here. I needed to take time to honor a wonderful loving family so good to me. Sincerely, Lisa Cook 860 Dartmouth Avenue, Matteson, IL 60443 formerly from Coal City, Illinois (Granddaughter to Arleene Jacque and Mary Cook)

“ I am heartbroken. Sandy was my best friend before & all during high school. We have kept in touch (sadly, too few & far between) by letters since graduation. We were BOTH miserable letter writers. Was able to visit with her about 8 years ago & that was great. Remember each HS summer vacation how we lay out on a blanket in her front yard and played double canasta & laughed so much about so much. Know there is a welcome place for her in Heaven. Her Church meant a lot to her. Crying now, miss you dear, dear friend. Love.
