“ I went to school with Stefanie at the original Reed Custer Elementary. I still cannot believe that she passed on. She was one of the few people I know that didn't bully me. I just regret that I didn't get to know her. I will miss her just as much as I miss Jake Rynearson and Jim Benson. I will be praying for her. I am so sorry for your loss. May you rest well Stefanie.

“ I will always have nothing but great memories of you. A kind soul, and passionate person! One of the best mothers I know! I think of you often, and our texting buddy days... when Levi was only a baby. I'll miss you even more now. Til we meet again.... <3

“ Stef was a supportive and caring friend. We may have had distance because I'm in WA state but she was very genuine so it made being friends easy. She shares the same birthday as my son and we connected with all the bands we liked. She adored Levi and Lexi so much, we were always talking about our kids, and cats we would share pics of all our kitties. I'll miss her presence and her quick off beat humor. Rest easy Stef.
