

## Stephanie Anne Hall

July 2, 1987 - July 4, 2020

### Stephanie Anne Hall

Stephanie Anne Hall died unexpectedly on July 4, 2020, in Olympia Fields, Illinois, at the age of 33.

Stephanie is survived by her five children, Jaedyn, Jason, Jaelynn, Jaylee and Jaxson Davis; her mother Lisa (Bill) Blood; two sisters, Stacie and Shellie Hall; and one brother, Steven Hall. She is preceded in death by her father, Steve Hall, her maternal grandmother, Mary Ann Zimmerman, and her paternal grandparents, Gordon Hall and Jean Flynn.

Stephanie was born on July 2, 1987, in Joliet, Illinois, to Steve Hall and Lisa Blood. She graduated from Reed Custer High School in 2005 and is remembered as a hard-working and gentle mother who cherished the intimacy of motherhood. Many knew Stephanie only through the lens of the addiction she battled for years. That wasn't the real Stephanie though, and those fortunate enough to truly know her immediately recognized her as someone who would give the clothes she was wearing to help a friend in need; one who ended nearly every conversation with those she cared for with 'love you'; and one who considered her close friends to be like brothers and sisters, which she often called them. She was loved by many and her witty and compassionate personality will be missed.

Our family asks that you realize that no one is immune to the epidemic of opioid and heroin addiction that encumbers our culture. We must fight hard against these drugs because they defile the brain's ability to make sound decisions in order to save one's self.

The family will receive friends and loved ones for visitation at R.W. Patterson Funeral Home & Crematory on Saturday, July 11, 2020, from 1 p.m. to 3 p.m. with a memorial service to immediately follow. All are welcome to attend and celebrate Stephanie's life. Due to COVID-19 concerns, all attendees are required to wear masks and socially distance.

In lieu of flowers, please send donations to help with funeral costs and support her children at [https:// gf.me/u/yfty97](https://gf.me/u/yfty97). The family would like to sincerely thank the hospital staff at Franciscan Health Olympia Fields for their efforts and care.

R.W. Patterson Funeral Home & Crematory is entrusted with the arrangements. For more information and to visit her online guestbook, please log on to [www.rwpattersonfuneralhomes.com](http://www.rwpattersonfuneralhomes.com) or find us on Facebook at R.W. Patterson Funeral Home & Crematory.

“ I am grateful to have known such a kind and gentle soul. Even in the lowest points of her struggle, she never forgot who she was. First, and completely, she was a mother. She may not have been the one she wanted to be, but she loved her children with every ounce of her. She always treated everyone around her with love and respect, and the world will miss her dearly. I hope her family knows that even when surrounded by darkness, she touched those around her with the light inside her. Stephanie never stopped shining. May she rest in peace.

“ You are so very brave to write an obituary that included her addiction. Thank yo. I have often thought that if my severe alcoholic son dies of he own hand or other causes, I would do the same. The disease of addiction touches all of us and those that don't agree, need to wake up
