“ I will miss your 'spunky-ness', your sense of humor, your love for your family, and the way you grilled my husband the first time you met him to decided if he was ok. Thank you for everything, Aunt Sue! You will be missed! This is a pic of Aunt Sue, and her sister - my mother Marsha, enjoying one of their favorite things - a hot fudge sundae!

“ In recent years Sue and I have spoken on the phone every couple
months usually for an hour or more. She often expressed her faith
and we prayed for each other's trials. I will greatly miss her. I had
plans to visit her this Spring. That is not to be, but I have faith that I
will see her again.
