“ He was truly one of the good ones. I knew him through friends, met him a few times and had an opportunity to get to know a little about his character. He was a generous soul. People could follow his example. If there was an organization that helped others, he was quietly behind the scenes contributing to it. Requiescat in pace -

Terry was a great man to work for and an even finer human being. Terry sense of humor was legendary and was only matched by his charity to others . The citizens of Grundy County have truly lost a leader. And speaking as a person who Terry hired on the department 24 yrs ago, I have lost a true friend and mentor. My condolences to Rick, Donna, Jackie, Betsy, and Blake. Rest in peace Terry.
