“ I am deeply sorry for your family's loss. Terry made his presence in the office each morning to show the office staff all his different Christmas hats in the month of December. Terry was always kind and I loved his contagious smile. He will always be remembered and missed.

“ Terry was one the most amazing men I have ever met. Even though we work together for a short period of time, he made every day great! Christmas was his favorite time of year and for us here at work it was especially special because he would come into work with a different hat everyday. He will be truly missed especially this time of year.

“ I love you so much Dad! You will never be forgotten by me or your grandchildren. I loved when you were silly and dressed as a clown. You were always fun to be around and taught me so much when you worked on cars. Please give us reminders that your still around. Fly high with Grandpa Rosenthal and Tommy Turtle and please watch over all of us!
