“ Terry was a good mechanic and a better person. He never had a bad thing to say towards anyone... Except for Lee Rajala's coffee. My most heartfelt condolence,

“ To the Voight family: Please let me offer you my condolences. My name is Paul Fisher and I used to work with Terry when I traveled to Dresden Station from Collins Station during refueling outages. I was partnered up with him a number of times and he was always nice to me and always would help out with a question about welding whether we were working together or not.
