“ Grandma, I recieved your bible my mom gave you for my birthday. Your notes have helped me find providence. I just got out of an abusive relationship, God has helped me through it, and your faith was never faltering and i found the strength to listen to God. thank you for always being faithful, you have passed that wisdom down to me. I love you and am so grateful for the lineage that came before me to give me guidance to fullfilling my path.

“ *Verna loved her girls and their families. She always enjoyed them coming to visit her and her husband John. I remember when John passed away how many friends and family sent their sympathies. Lots of people. She loved her chocolate as well as her ice cream from the dairy queen. She loved the visits that her family came to see her at Faith Place and at Miller. I will always remember that Verna was a kind polite woman always had a smile on her face. Yes Heaven has a Angel. She is at peace with your dad John and her family and friends. No more suffering. Always remember the good times you had with your mom. God Bless you Mary, Becky, Amy and Carol and families. Verna will always be in your heart and fond memories. Your friend Judy Harling*
