“ Hi Bill,
You have my deepest condolences. Your mom was a very nice lady. My wife Kathy liked her. When she met her at the Club picnic, she wanted to take her home with us. It is sad to know that we will never see her again, but happy to know that Heaven has gained a special Angel.

“ Billy Dean, I am so incredibly sorry for your loss. Your mom was such a wonderful lady. She was so full of energy, so vibrant, so much larger than her tiny little frame could contain. I have so many fond memories of her over the years. Do you remember how we were just reminiscing about that during our visit in December? Great fun. Great pictures. What a wonderful woman! She will forever hold a special place in my heart. Please know that I cherish those memories and am forever grateful to her for always treating me like a member of the family. I simply couldn't make a trip home without stopping in to see her (and the souvenir candle~that she still displayed~that I brought her in the early 1980s). God bless you!
Love and prayers, Michelle, Tom and Matt!
