“ Dan, Sherry and Cindy: Words can not say enough how much my heart breaks for you all. Vivian was one of a kind. We will certainly miss her. Here is my thoughts on cousins. Cousins are people that are ready made friends, you have laughs with them and remember good times from a young age, you have fights with them but you always know you love each other, they are a better thing than brothers and sisters and friends cause there all pieced together as one. This is so true. Please know that I keep you in my thoughts, and prayers. Tonie
